

EduVision User Manual

EduVision School Website Platform — User Manual

Version 1.2.0

1. Introduction

EduVision is a multi-tenant School Website Content Management System. Each school receives its own public website and secure admin dashboard. This manual is for school administrators, teachers and staff who manage a school site.

2. Logging In

1. Open your school admin URL, for example
<https://admin.yourschool.eduvisionschools.co.za/admin/login> OR
<https://yourschool.eduvisionschools.co.za/admin/login>.
2. Enter your email and password.
3. Select your school from the list if prompted.
4. If two-factor authentication is enabled, enter the code from your authenticator app.

3. Dashboard

After login the admin dashboard shows:

- School overview and quick stats
- Latest notices and activity
- Links to manage content, media, users and settings

4. Managing Website Content

Pages

- Go to **Pages** in the sidebar.
- Click **New Page**.
- Enter a title, slug (URL-friendly identifier) and content in Markdown.
- Choose whether the page appears in the public menu and set its order.
- Click **Save**.

Posts / News

- Go to **Posts**.
- Click **New Post**.
- Add title, summary, content and an optional featured image.
- Select a category such as news or events.
- Publish or save as draft.

Staff

- Go to **Staff**.
- Add staff members with name, role, department, photo, bio and contact details.

- Mark staff as published to show them on the public website.

Events / Calendar

- Go to **Events**.
- Create events with start/end dates, location and category.
- Published events appear on the public calendar.

5. Media and Downloads

Media Library

- Go to **Media Library**.
- Upload logos, photos, videos and PDFs.
- Allowed file types and maximum sizes are configured by the platform owner.

Downloads

- Go to **Downloads**.
- Link a file from the media library or provide a URL.
- Add a title and category.

6. School Settings

- Go to **Settings**.
- Update school name, contact information, address and social links.
- Change primary and secondary colours.
- Upload a logo and favicon.
- Enable or disable dark mode by default.

7. Notices

- Go to **Notices**.
- Create a notice, choose the audience (All, Parents, Teachers, Learners, Staff) and publish.
- Notices appear on the public site filtered by audience.

8. Admissions

- Go to **Admissions**.
- View applications submitted through the public website.
- Update application status: Pending, Reviewing, Accepted, Rejected or Waitlisted.

9. Students, Results and Attendance

- **Students** — manage learner records, including parent contact details.
- **Results** — record subject scores per term and publish when ready.
- **Attendance** — mark daily attendance as Present, Absent, Late or Excused.

10. Users

- Go to **Users**.
- Add school staff, teachers or other administrators.
- Assign roles: School Admin, School Staff, Teacher, Parent or Learner.
- Deactivate users who no longer need access.

11. Password and Two-Factor Authentication

- From **Settings > Security**, change your password.
- Super admins can enable two-factor authentication by scanning the QR code with an authenticator app such as Google Authenticator or Authy.
- Save backup codes in a secure place.

12. Public Website

The public website automatically reflects all published content. Visit the school domain or subdomain to view:

- Home page with latest news, notices and events
- About, Principal's Message, Vision & Mission, History
- Staff, Academics, Admissions, School Fees, Uniform, Sports
- Gallery, News, Events, Downloads, Contact and Emergency Contacts

13. Troubleshooting

Issue	Solution
Cannot log in	Check email, password and school selection. Reset password if needed.
Uploaded image not showing	Ensure the file is an allowed image type and the upload completed.
Page not appearing	Confirm the page is published and visible in the menu.
Site says subscription inactive	Contact the platform owner or super admin.

14. Support

For technical support, contact the platform owner or super admin listed in your school settings.
